

**NSAMA TOWN COUNCIL  
PUBLIC NOTICE**

**LIST OF UNSUCCESSFUL 2026 PROJECTS APPLICATIONS FOR CHIMBAMILONGA CONSTITUENCY**

Nsama Town Council hereby informs all Ward Development Committees (WDCs) that the attached list contains project proposals submitted under the **2026 Constituency Development Fund (CDF)** which have not been approved.

The non-approval of these projects is due to limited available resources against the high number of submissions received. This does not in any way diminish the importance or relevance of the proposed projects, but is solely as a result of budgetary constraints.

Affected WDCs are encouraged to review, reprioritise and resubmit their proposals in the next funding cycle, subject to availability of funds.

For any clarification, please contact the Office of the Council Secretary.
